ABOUT ME

I am passionate about learning and problem-solving, especially in website development, application development, and UX/UI design. I am excited to use my skills and gain practical experience by working on real projects. I am looking for an opportunity to contribute, learn, and grow as part of a dynamic team.

ACADEMIC PROJECT

Mobile Application | 2023

This project is to create a water drinking reminder system for Android on Expo platform using JavaScript and React. In this part I do Front-end and UX/UI Design.

Web Application | 2023

Create an advisor system using PHP, HTML, CSS and XAMPP with team. Demonstrate how to log in and edit, add, delete data within the system, including admin rights in the system.

Application | 2022

this project is create washing machine reservation system using Figma, IntelliJ, and using MySQL as a database. In this part I do Front-end and UX/UI Design.

INTERNSHIP

The Siam Cement Group (Thung Song) Co., Ltd. | Nov 2024 – Mar 2025

The organization provides ongoing training and bootcamps but lacks tools to assess the practical application of skills. To solve this problem, I developed a tracking system with evaluations. Employees who meet the criteria will earn points that can be redeemed for rewards.

- Gathered and analyzed user requirements to design a system that meets project needs.
- Designed UI/UX for the web application, ensuring a seamless and user-friendly experience.
- Developed the frontend using React, Vite, Tailwind CSS, and DaisyUI.
- Built dynamic forms for job recording, team selection, and machine selection based on machine type.
- Integrated APIs with the backend (PHP + SQL Server) for data retrieval and submission.

SKILL

- **Technical Skills** : HTML, CSS, Tailwind CSS, JavaScript, SQL, React, , React Native, Bootstrap, Node.js, Express.js, Postman
- **Soft Skills** : Positive Attitude, Work ethic, Communication, Teamwork, Adaptability
- **Tool** : VSCode, Figma, Docker, Postman, Github, MySQL, SQL Server
- **Language** : **Thai** : Native , **English** : Pre - Intermediate

EDUCATION

Prince of Songkla University

Department of Computer Science Bachelor's degree student

Graduation year: (Expected 2025)

- Bachelor of Science (Computer Science)
- GPA : 3.19
